Dear Councilman RYU,

You have continued to support the MOU between RAP and FORC, despite the numerous requests from hundreds of your constituents, myself included, and the entire elected board of the HHWNC, that have asked you to PLEASE request RAP immediately rescind its MOU with FORC.

We have asked you, with one voice, speaking clearly, and unambiguously, to REPRESENT YOUR CONSTITUENTS and demand that RAP terminate its MOU with FORC for cause, due to FORC's deceptive, and self-interested practices, undisclosed conflicts of interest, lack of transparency, and appalling waste of taxpayer funds.

Despite our well-documented rationale for our request, you have remained constant in your support of FORC.

The only reasonable explanation is that you have information the rest of us lack.

Therefore, please consider this a public records request for a copy of **all RECORDS** that relate to the matters described in the "RUNYON CANYON PARK - BASKETBALL COURT IMPROVEMENT SETTLEMENT PROJECT - AUTHORIZATION OF REIMBURSEMENT TO PINK DOLPHIN CLOTHING, LLC FOR DESIGN SERVICES, COMPLETED WORK AND PURCHASED MATERIALS", referred to in General Manager's Report 16-183, signed by Michael Shull, dated August 10, 2016.

The Public Record's Act (the "Act") is California State Law that REQUIRES YOUR PROMPT compliance.

The purpose of the Act is to give the public access to information that enables them to monitor the functioning of their government. The Act's fundamental precept is that governmental records shall be disclosed to the public, upon request, unless there is a legal basis not to do so.

The Act defines "public records" as "ANY writing containing information relating to the conduct of the public's business prepared, owned, used, or retained by any state or local agency regardless of physical form or characteristics."

A writing is defined as "any handwriting, typewriting, printing, photostating, photographing, photocopying, transmitting by ELECTRONIC MAIL OR FACSIMILE, and EVERY other means of recording upon any tangible thing any form of communication or representation, including letters, words, pictures, sounds, or symbols, or combinations thereof, and any record thereby created, regardless of the manner in which the record has been stored."

UNDER THE ACT, the definition of a public record is quite broad and is intended to encompass much more than written or printed documents. A public record is subject to disclosure under the Act "regardless of its physical form or characteristics."

For example, email messages, phone records, appointment books and calendars, voicemails, and other electronic information are public records.

In addition, the Records I have requested concern the conduct of FORC, an entity delegated legal authority to carry out public functions by a governmental agency.

Furthermore, by this CPRA request, I AM asking YOU to provide **all RECORDS in YOUR possession relating to the** Friends of Runyon Canyon, FORC, a California Non-Profit Company that was delegated legal authority by RAP, an agency YOU are charged with a duty to supervise.

FORC continues to retain its legal authority by YOUR ONGOING SUPPORT OF FORC and YOUR FAILURE TO DEMAND THAT RAP REVOKE its MOU (as well as its temporary, revocable Right Of Entry Permit (ROE) ISSUED to Friends of Runyon Canyon Foundation (FORC) and their general contractor, B&H Holdings, LLC, dba, Digital Interiors (Contractor), before those parties vandalized Runyon Canyon Park).

Please advise me whether you intend to produce all of the required materials, and if not, please provide me with a legitimate reason for refusing to produce copies of all the requested public records.

If it is necessary for me to review these documents in your offices, please instruct me about how I should proceed.

Sincerely,

Pamela Colburn

The purpose of the Act is to give the public access to information that enables them to monitor the functioning of their government. The Act's fundamental precept is that governmental records shall be disclosed to the public, upon request, unless there is a legal basis not to do so.

The Act defines "public records" as "ANY writing containing information relating to the conduct of the public's business prepared, owned, used, or retained by any state or local agency regardless of physical form or characteristics."

A writing is defined as "any handwriting, typewriting, printing, photostating, photographing, photocopying, transmitting by ELECTRONIC MAIL OR FACSIMILE, and EVERY other means of recording upon any tangible thing any form of communication or representation, including letters, words, pictures, sounds, or symbols, or combinations thereof, and any record thereby created, regardless of the manner in which the record has been stored."

UNDER THE ACT the definition of a public record is quite broad and is intended to encompass much more than written or printed documents. A public record is subject to disclosure under the Act "regardless of its physical form or characteristics."

For example, email messages, phone records, appointment books and calendars, voicemails, and other electronic information are public records if they otherwise meet the statutory definition.

The Records I have requested concern the conduct of the people's business by an entity delegated legal authority to carry out public functions by a governmental agency.

Therefore, this definition INCLUDES **all RECORDS relating to, and in the possession of**, Friends of Runyon Canyon, FORC, a California Non-Profit Company that was delegated legal authority by YOU, pursuant to a temporary, revocable Right Of Entry Permit (ROE) YOU ISSUED to Friends of Runyon Canyon Foundation (FORC) and their general contractor, B&H Holdings, LLC, dba, Digital Interiors (Contractor).

Please advise me whether you intend to produce all of the required materials, and if not, please provide me with a legitimate reason for refusing to produce copies of all the requested public records.

If it is necessary for me to review these documents in your offices, please instruct me about how I should proceed.

Sincerely,

Pamela

Dear Councilman RYU,

You have continued to support the MOU between RAP and FORC, despite the numerous requests from hundreds of your constituents, myself included, and the entire elected board of the HHWNC, that have asked you to PLEASE request RAP immediately rescind its MOU with FORC.

We have asked you, with one voice, speaking clearly, and unambiguously, to REPRESENT YOUR CONSTITUENTS and demand that RAP terminate its MOU with FORC for cause, due to FORC's deceptive, and self-interested practices, undisclosed conflicts of interest, lack of transparency, and appalling waste of taxpayer funds.

Despite our well-documented rationale for our request, you have remained constant in your support of FORC.

The only reasonable explanation is that you have information the rest of us lack.

Therefore, please consider this a public records request for a copy of **all RECORDS that** relate to the matters described in the "RUNYON CANYON PARK - BASKETBALL COURT IMPROVEMENT SETTLEMENT PROJECT - AUTHORIZATION OF REIMBURSEMENT TO PINK DOLPHIN CLOTHING, LLC FOR DESIGN SERVICES, COMPLETED WORK AND PURCHASED MATERIALS", referred to in General Manager's Report 16-183, signed by
